Great Results Guarantee

Under this agreement for 2014
Yeppoon State School will receive

This funding will be used to

- Ensure that 100% of year 3, 5 & 7 students attain National Minimum Standard or higher in Literacy and Numeracy or achieve their targets and goals as identified in their Individual Learning Guarantee (ILG)
- Increase the percentage of students in the Upper Two Bands in Spelling in Year 3 from 24.2% (2013) to 34.2% (2014)

Our strategy will be to

- Review student achievement on a five weekly cycle in Reading, Writing and Numeracy to assess students’ current performance, with fortnightly review of achievement for those students identified as at risk of not achieving National Minimum Standard. (Sharratt & Pullen)
- Use the above reviews to inform teaching and learning, to plan specifically for the needs of students and to create individual improvement plans. (Masters)
- Discuss individual learning goals with all students, monitor improvement and provide feedback (Hattie).
- Develop and Implement (and record on OneSchool) Individual Learning Guarantee for students identified as ‘at risk’ of not meeting National Minimum Standard in NAPLAN Reading, Writing or Number (2014).
- Continue to implement our whole school curriculum program across all year levels using agreed models of delivery with a specific focus on our Whole School Reading and Spelling programs.
