Yeppoon State School will receive**

\$92,560*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Ensure that 100% of year 3,5 & 7 students attain national minimum standard or higher in Literacy and Numeracy or achieve their targets and goals as identified in their individual learning guarantee support plan (ILG support plan).

- Review student achievement on a five weekly cycle in Reading, Writing and Numeracy to assess students' current performance, with fortnightly review of achievement for those students identified as at risk of not achieving national minimum standard (Sharratt & Fullen).
- Use the above reviews to inform teaching and learning, to plan specifically for the needs of students and to create individual improvement plans (Masters).
- Discuss individual learning goals with all students, monitor improvement and provide feedback (Hattie).
- Develop and Implement (and record on One School) Individual Learning Guarantee Support Plans for students identified as 'at risk' of not meeting national minimum standard in NAPLAN Reading, Writing or Number (2015).
